

PLANSROOM INFORMATION

SERVER TIPS

Printing Only a Selected Area

You likely know that you can print an entire plan page, but did you know that you can also print just a portion of a page? This is a great feature if you don't have a large plan printer, or just need to refer to particular information. You can print a smaller area on a regular 8 ½" x 11" page and still be able to read it! To do this:

- ◆ Use the Zoom Area tool to select the area you are interested in
- ◆ Click on the Print icon on the upper left side of your screen
- ◆ When prompted with "To print the full image, the image must be zoomed out. Would you like to do that?" click NO.

TRAINING SESSIONS

The Calgary Construction Association is proud to offer complimentary training sessions on how to use COOLNet Alberta.

Sessions are offered every Tuesday and Thursday starting at 2:00pm by appointment only.

Please contact Kathy at (403) 291-3350 or email: mail@cca.cc to book your training session.

Project Details Opportunity Description: Purpose of RFQ: The purpose of this Request for Qualifications ("RFQ") is to invite interested parties to submit Responses indicating their interest in, and qualifications for, the Project. Based on these Responses, the MD of Foothills (the "MD") and the Town of Okotoks (the "Town") intend to select, in accordance with the terms of the attached RFQ, a shortlist of up to three Proponents to be invited to participate in the next stage of the Competitive Selection Process, the request for proposals ("RFP") stage. This RFQ is not a tender or an offer or a request for proposals, and there is no intention by the MD and the Town to make an offer by issuing this RFQ. Under the Competitive Selection Process, the MD and the Town are seeking to enter into a contract (the "Design-Build Agreement") with a qualified entity (the "Design-Builder") to design and build the project referred to as the Foothills Regional Indoor Field House (the "Project" or the "Foothills Regional Indoor Field House"). Opportunity Description: The purpose of the project is to build an indoor field house that meets regional community recreation needs. Further information on the anticipated RFP is contained in the Appendices of the attached RFQ. The facility should follow a number of principles. It should be: • multi-purpose – providing for a variety of uses, • multi-generational – serving children, youth and adults, • located so as to serve all of the residents of the region, • flexible – designed to allow for expansion and adaptation to meet changing needs, • sustainable in terms of business and market opportunities. The primary (core) program component areas are as follows: • Activity Hall, in which the structure is sized to ultimately house 4 playing fields (each 85 ft x 200 ft) and a walking track, with a minimum of two fields constructed. • Training area with locker rooms, and team rooms (5 per field) • Administrative offices, meeting & multi-purpose rooms • Public and support spaces (lobby, concession, washrooms, storage) • Provision for a walking track • Circulation, structure & mechanical • Site location should be of adequate size to provide the opportunity for a mix of future active and passive outdoor sport and recreation opportunities • Construction and installation of roads and utilities to service the site Additional program components designed to meet the needs of specific not-for-profit groups may be considered if additional funding is secured. For further details and conceptual functional specifications please refer to Schedule I within the RFQ document and the attached Feasibility Study.

Project Details Pre-Bid Meeting A mandatory Pre-Bid Meeting will be conducted. Details are as follows: Date: Monday February 6, 2012 Start Time: 2:00 p.m. Alberta Time Location: The Workers' Compensation Board – Alberta Jarvis Building Room: 2109 9925 – 107 Street Edmonton, Alberta T5J 2S5 Attendance at the Pre-Bid Meeting is limited to two (2) representatives per Contractor. At least one (1) representative of the Contractor Must attend the Pre-Bid Meeting. Failure to attend the Pre-Bid Meeting will result in disqualification from further participation in this competitive process. The Pre-Bid Meeting is intended to provide the Contractors the opportunity to receive further clarification on the requirements of this IFB. It is anticipated that the meeting will last approximately one (1) hour. WCB assumes that Contractors will bring their own copy of the IFB documentation for review. Note: WCB Security requires advance notice from all visitors. Please contact Brad Baird at (780) 498-4890 to indicate participation in the Pre-Bid Meeting. On the meeting day register with Security at the front desk before proceeding to the meeting room. There is limited parking available in the immediate vicinity of the Millard Health Building.
